### Product Description

The sustainable Design Centre at our headquarters in Buckland Filleigh, Devon provides a dedicated CPD venue to learn about building conservation, sustainable construction and specification.

Mike Wye & Associates Ltd have been involved with traditional, sustainable and ecological construction projects for nearly a quarter of a century. In that time, our team have acquired a wealth of experience and knowledge which we share and discuss in a series of seminars as part of our CPD days.

The 2019 Building Conservation CPD day will include:

Introduction to Lime and Example Specifications

Specialist Decorative Plasterwork

Retrofit Wood Fibre Insulation

Limecrete/Glasscrete Floors

Lunch and refreshments!

[IHBC recognised CPD provider.](#)

Here are a few comments from past attendees:

"Very professional & very well presented."

"Thank you all so much for the day. It was great."

"Excellent...I will recommend to other architects."

"I thought this was a very informative & interesting course. Cannot fault it -thank you."

"Covered more than I expected - good detail."

The times shown are as a guide only as questions may lead to an over run on some topics. For further details or to book a course please contact us.

Product Attributes
