### Product Description

**Double Boiled Linseed Oil is a highly refined oil for use in general building applications. Use with mastic sand to make trowel grade pointing mastic and can also be used as oil paint additive and timber treatment.**

It can also be used as a traditional wood treatment that forms a tough, hard

wearing finish to all types of bare wood (except exterior oak). Double Boiled Linseed Oil can also be applied on terracotta tiles and other stone surfaces. Quicker drying than raw linseed oil.
