## Product Summary

earthborn®

## Product Description

Earthborn Casein Paint is the most natural paint available!

Based on the milk protein, casein, and white lime, Earthborn Casein Paint provides a soft matt, chalky white finish that is well suited to interior use in older buildings. It is breathable, helping create a healthier, more comfortable living environment, and is titanium dioxide free\* which means less energy is required in its production. Supplied as a powder: mix with water to create your own natural emulsion for internal use. You can also mix with pigments to create your own bespoke colours.

### Properties

highly breathable,

helps create a more comfortable living environment

titanium dioxide free

Virtually VOC free

long lasting and hard-wearing

easy to apply with brush or paint pad

\* While titanium dioxide is a natural, non-hazardous pigment that requires high energy levels to blend into paint.

### Coverage

Approximately 7-9 m<sup>2</sup> per kg, per coat.
