Product Summary

earthborn®

Product Description

Earthborn Wall Glaze is a water based, clear glaze for interior use. It is ideal for stabilising sandy, powdery surfaces prior to painting or providing a protective, long lasting, wipe-able surface to paintwork.

Earthborn Wall Glaze VOC and acrylic free, it is specially formulated for its environmental benefits. This resourceful product can be used for a whole host of projects. Use before painting to stabilise sandy, powdery interior surface.

Apply on top of Earthborn Claypaint or Ecopro Emulsion to produce a washable, protective glaze. Or combine it with Earthborn Pigment to create special paint effects such as sponging and colour washes, as well as an interior wood stain. You decide.

Combined with pigments, it is perfect for creating special paint effects such as sponging, marbling and colour washes.

Coverage

2.5 litre = 125 m² . 750 ml = 37.5 m²

Approximate coverage when diluted.
