Product Description

Pavan 501/IS Stainless Steel Filling Spatula/Knife. Rounded angles, milled blade edge and mirror polished blade.

Flexibility and toughness are guaranteed by Pavan under all working condition. The Pavan 501/IS Stainless Steel Filling Spatula is assembled by welding. This is followed by rigorous testing for load bearing and x-rayed to check correct joining.

An exclusive lip process ensures the perfect application and quality of the final polishing operation.

Available in a range of sizes.
