Product Variants

- Pavan 825/I Thin Blade Polishing Trowel - 280 x 120mm x 0.6mm ()

Product Description

Pavan 825/I Polishing Trowels with a thin stainless steel blade.

Special design for marble like rendering. Welded, with a wooden handle.

Flexibility and toughness are guaranteed by Pavan under all working condition. The Pavan 825/I is assembled by welding. This is followed by rigorous testing for load bearing and x-rayed to check correct joining.

An exclusive lip process ensures the perfect application and quality of the final polishing operation.

Manufacturer

Pavan Ernesto & Figli S.p.a. is a family company located in Arcade near Treviso, rich in history and traditions.

It is the only Italian manufacturer which designs and produces all the components of a wide range of building tools, including trowels, scrapers, brushes and knives.
