Product Description

Pavan 844 stainless steel trowel - The Golden Trowel of Italy.

A high quality trowel for finishing and polishing fine lime plasters and decorative finishes.

Flexibility and toughness are guaranteed by Pavan under all working condition. The Pavan 844 Golden Trowel of Italy is assembled by welding. This is followed by rigorous testing for load bearing and x-ray to check correct joining.

An exclusive lip process ensures the perfect application and quality of the final polishing operation.
