Product Description

Pavan 854/IS Internal Corner Trowel in stainless steel.

Flexibility and toughness are guaranteed by Pavan under all working condition. The Pavan 854/IS Internal Corner Trowel is assembled by welding. This is followed by rigorous testing for load bearing and x-rayed to check correct joining.

Manufacturer

Pavan Ernesto & Figli S.p.a. is a family company located in Arcade near Treviso, rich in history and traditions.

The only Italian manufacturer which designs and produces all the components of a wide range of building tools, including trowels, scrapers, brushes and knives.
