Product Variants

- Practical Lime Course ()

Product Description

Since 1996 over 3,000 home owners, builders and professionals have come on our Practical Lime Course to gain hands-on experience in using lime mortars and lime plasters for the repair and maintenance of traditional buildings.

The Practical Lime Course offers an introduction to the use of the different types of

building lime followed by practical sessions on the following:

Traditional stone walling.

Lime pointing.

Cob building and repair.

Traditional lath and plaster.

Harl/scat coat.

Scratch coat.

Float coat.

Fine lime skim plaster.

Insulated lime render/plaster.

Decoration

Our approach is to create a relaxed environment on where you will enjoy learning, with ample opportunity for discussion in the breaks.

Course numbers are limited to ensure individual attention by two course leaders.

For each session there is a practical demonstration. You will then be encouraged to have a go, with guidance at hand.

All tools, materials and personal protective equipment are provided but please bring protective outdoor clothing and footwear.

You can purchase materials on the day of the Practical Lime Course. You will also be entitled to a 10% discount on all future purchases from our range of traditional lime putty products and tools.

For further information or to book, call our office during opening hours and make a payment by card. You can also make an enquiry online by selecting 'ADD TO QUOTE' and pay into our trading account by bank transfer.

100% of our recent Practical Lime Course feedback forms rate the course as either 'great value' or 'good value'.

"I was extremely impressed that there was no sexism at any point - what a relief! I could relax and enjoy the course and take it all in." Rose, 8th April 2016.

"Whole day really enjoyable and informative. Great to learn so much and for it to be so interactive and hands-on. I feel much more confident in getting stuck in on my

cottage now." Jezz, 8th April 2016.

"Best fun since playschool!" Stefan, 18th March 2016.
