- Kreidezeit Stand Oil Paint ()Size: 2.5 Litre

Product Summary

Product Description

Kreidezeit Stand Oil Paint is a luxurious form of linseed oil paint for the treatment of interior and exterior wood and metal. It is elastic, weatherproof & UV resistant. The Kreidezeit Stand Oil Paint system is an enhancement of centuries-old and proven oil formulas with optimal permeability. A resin-free paint for wood and metal for the interior and exterior. Use on wood framework, playground equipment, windows, doors and for painting windmill sails.

Stand Oil is a form of linseed oil made by heating to 300°C in an oxygen-free environment. This causes partial polymerisation because of its viscosity; about that

of honey.

It has very little tendency to yellow, and gives a smooth, enamel-like finish. It has a wonderful tendency to level without therefore showing brush marks.

Stand Oil Paint does not blister, crack or flake, but stays elastic and wears down little by little. That is why it can be renewed even years after application with a minimum of effort by simply cleaning and painting over.

Application

Base Oil penetrates deeply into the wood.

Half-rich intermediate coat: base coat with extremely high opacity.

Full-rich finishing coat: for long lasting weather protection.

You can buy Kreidezeit Stand Oil Paint in 14 standard colour shades, including metallic gold and silver. **Please note that the metallic silver and gold are only available in 125ml / 375ml.** We can also provide you with a mixing chart for blending these base colours to give approximately 100 additional colour shades. For care and maintenance please see the Window Care Set and Window Care Oil.

Product characteristics

Sweat and saliva resistant according to DIN 53160.

Coverage

Approximately 0.06-0.08 litres per m² per coat.

0.06 = 16.6m² per litre approx.

0.07 = 14.2m² per litre approx.

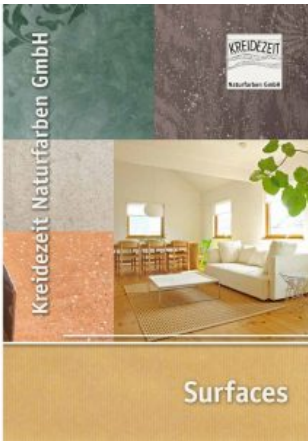

0.08 = 12.5m² per litre approx.

125ml - 1.56m² - 2.07m² approx.

370ml = 4.6m² - 6.14m² approx.

750ml = 9.37m² - 12.45m² approx.

2.5L = 31.25m² - 41.5m² approx.
