

RD Certificate Number: EWW586

SECILTEK ISOVIT CORK system

Description

This is an assessment of SECILTEK ISOVIT CORK system, an external thermal insulation system which links the superior thermal performance of an ETICS system with an efficient environmental performance. "ISOVIT CORK" is a bonded system with supplementary mechanical fixings used primarily to provide stability until the adhesive has dried and to increase the adherence of the system reducing the risk of detachment. The ETICS comprises components which are factory produced by the manufacturer or a supplier; it is made up on site from these components.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

ISOVIT CORK

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations. LABC Warranty also accepts its use when installed and used in accordance with the Scope and Conditions of the Registered Details Certificate and in relation to LABC Warranty's current Technical Standards. Registration was first issued on 20/04/15 and is valid until 20/07/20 providing there are no amendments to applicable regulations.

Issue dated 09/03/2020
