Sustainable & Traditional Building Specialists

MIKE WYE & ASSOCIATES have launched a new render system for Pavatex Wood Fibre Insulation. Using Secil pre-mixed lime products, we have developed specifications for internal and external plasters and renders.

### Mike Wye External Render System

- Secil Adherevit base coat with embedded mesh
- Secil Finishing Render top coat
- SecilTec Silicate Masonry Primer and Paint

### Mike Wye Internal Render System

- Secil Finishing render with embedded mesh
- Optional Mike Wye Regency Lime Plaster skim
- Breathable Paint

## COMPETITION CORNER

 Like

Another exciting giveaway to be won.

This month you could win a fabulous Gift Voucher for a Mike Wye training course of your choice. We also have TWO runners up prizes of the highly informative Old House Handbook plus a copy of our Practical Use of Lime DVD.

For a chance to win, 'Like' and 'Share' our Facebook post and comment using the word "Training" on our competition post.

The winner will be picked at random on August 31st.

# 'How to'

# Videos by Mike Wye

- Lime Plastering
- Lime Pointing
- Lath and Plaster Application

## You Tube

- Installing GEOCELL
- Beautiful Tadelakt
- Applying Limewash

**SUBSCRIBE**

## Sun's Out ..... Spray Guns Out !!!

The advice, 'keep hydrated and out of the midday sun' applies equally to lime renders as it does to us.

To protect your lime renders from rapid drying spray down after application and shade with a hessian sheet. Both are in stock so don't forget you order your supplies when booking your lime.

### Training Course Dates

10th Aug - Lime Plastering Course  
17th Aug - Natural Paint Course  
24th Aug - Practical Lime Course *New Date*

30th Aug - Polished Plaster Course  
31st Aug - Tadelakt Course  
21st Sept - Lime Plastering Course  
28th Sept - Practical Lime Course
