We're having a bit of a clear out...

It's Autumn, so it's obviously time for a Spring clean. We have chosen on this occasion to dust under our stock of the wonderful 'From the Anvil' collection, which means that you can accessorise your house with beautifully hand made examples of gorgeous ironmongery, which will fit right in with either your lime rendered cottage, or your timber framed house. Pop over to our website and have a look at '**Latest News**' to see what's on offer.

Just in case you thought that lime mortar is only used on old buildings, take a look at these photos of work carried out in London recently by **David Andrews Construction Ltd** (using our mortar, of course).

Private London Residence: lath and plaster arch

**Our SecilVit Cork Board insulation system now boasts LABC (Local Authority Building Control) Approval!**

**LABC** represents all local authority building control teams in England and Wales. Members work cooperatively with building owners, home owners, architects, plan drawers, developers, building contractors and other professionals to ensure buildings are safe, healthy and efficient to meet the standards set by the building regulations

Private London Residence:  
370m<sup>2</sup> - 3.5/1 haired & un-haired lime mortar.

Also on offer - everything you need to know about the use of lime products for renovation in our oldie but goodie **DVD**

**Only £5.00!**  
(plus VAT and delivery)

Just a little reminder - while you are busy beautifying your house with our lovely ironmongery, you might think it's time to colour up a room or two - with our purchasing power, we're able to offer the **entire range** of **Earthborn quality paints** at unbeatable prices

*eg: 5 litre Claypaint Cats Cradle*

**£38.11**

*(plus VAT & delivery)*
